Respected ANZ Team,

I am writing to express my interest in the available position at the Work Internship Placement Program 2024 in ANZ. Specifically, I am interested in the role that related to Data Analysis or IT field and would like to inquire about the possibility of filling this Opportunity.

I am currently pursuing a Bachelor's degree in Data Science and Computer Science at the University of Western Australia in 2nd year. My focus is on understanding the applications of data science and its utilization in computer systems. I aspire to apply my acquired skills by actively engaging with the Internship Program, aiming to contribute to the optimal utilization of data in the community.

I am eager to acquire experience in this field and believe that my characteristics align well with the needs of your Program.. I am confident that my skills will enable me to make a valuable impact. I would like to further explain my motivation for the Data Analysis as Well Computer Science knowledge. You can reach me either by phone via [0414044864](tel:0414044864) or by email via dharun2004.s@gmail.com

Thank you for your consideration. I look forward to hearing from you.

Sincerely,
Dharun Somalingam
